

Setting up Your Apple ID for your iPhone or iPad

Step 1: Choose the App store app icon on the home screen

1

Step 2: Click search at the bottom of the screen then Type in GoToMeeting in the search window, Click free install

2

Step 3: Tap Create New Apple ID.

3

Step 4: Choose your country, and then tap done.

Step 5: You'll need to read and agree to the iTunes Store Terms & Conditions. Tap Agree located at the bottom of the page to continue.

4

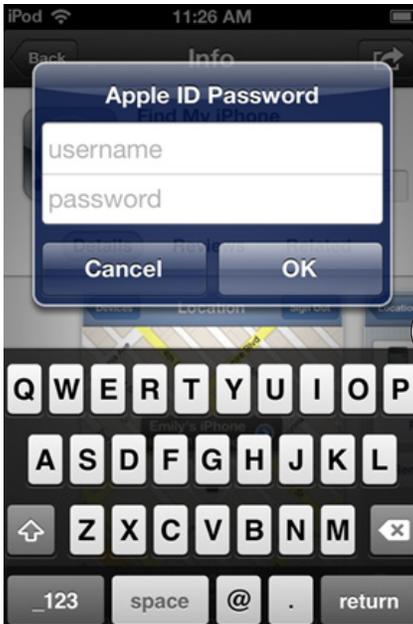

Step 6: Enter your email address (organization email address), security questions, birthday, and create your password.

Step 7: You also can enter an optional rescue email address

Setting up Your Apple ID for your iPhone or iPad

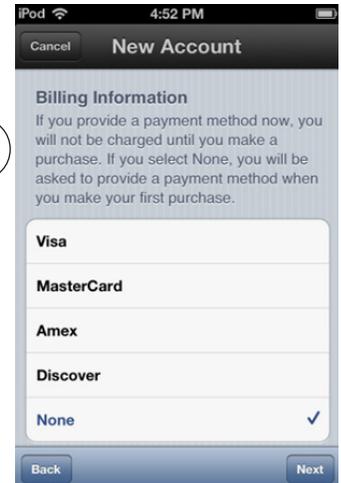

Step 8: Once you are satisfied with the information entered, **Tap Next**.

9

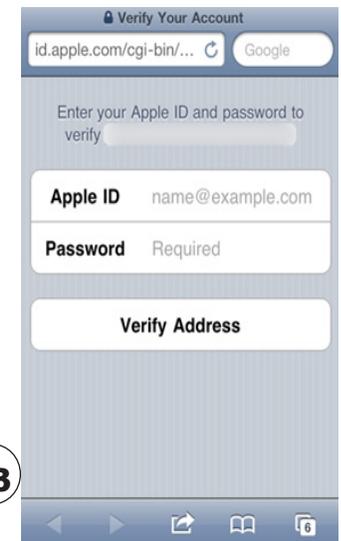

Step 9: Select **None** as your payment option.

10

Step 10: Continue to fill out the required email, address, and phone number fields.

Step 11: You'll then see a screen that says "Verify your Account." **Tap Done**, and check your email for a verification email from iTunes Store.

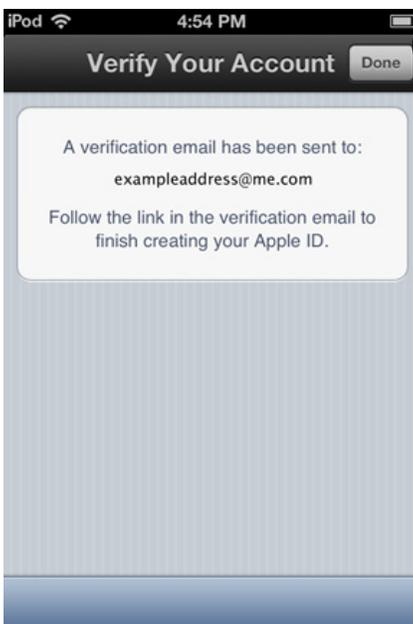

11

Step 12: **Open** the outlook email, and **click** the link enclosed in the email to activate your account.

13

Step 13: Once you tap the link, the App Store should automatically open and prompt you to sign in with your account name and password.

(Caution: There are some restrictions for using and downloading software for these devices. Please refer to Section G of policy #23-201 for Wireless Devices for DBHDD staff. Click on the link below to review the policy.)
Policy #23-201

Step 14: **Tap Sign In**, and you will see a thank you screen.

14

Step 15: You have set up your account successfully, and you now have access to App Store on your iPhone, iPad, and iPod touch.
